

## BATH ARCHERS FIELD SHOOT

### COMMON WOOD, HUNSTRETE

SUNDAY 8<sup>th</sup> JUNE 2008

Nearly 90 archers enjoyed a glorious June day and a new part of the wood for this year's shoot consisting of a mixture of 3Ds and Big Game. Twice round the course offered plenty of opportunities to sample the excellent catering provided by Krys as well as a second chance at the well placed crocodile and the 'evil' duck. Although there was no Hunter's Trail or moving targets this year the course was well received with several archers saying how much they enjoyed the day - but then the sun was shining!
