

## BELVEDERE BOWMEN OPEN SHOOT 6<sup>th</sup> APRIL 08

Report submitted by Wilf Skinner, Shoot Administrator

This time The Great Archer In The Sky was not in his usual benevolent humour towards us regards the weather as it was rather chilly with bright periods and frequent snow showers. I am trying to find out in the Club who has displeased him by being naughty and threatened them with a good whipping. So far everyone has confessed!!!!

However, regardless of the cold conditions 110 archers attended and declared another good day's shooting round 36 mixed targets. The strong cold North wind caused some problems for some out on the open area, either cold fingers and/or arrows blow 'off course'. One archer said that his arrow almost reached the targetnock first!( Perhaps a case of exaggerated 'archers paradox'??)Still as they say 'it's an ill wind' etc. as the Gun Club sold out of fingerless mitts!

Our thanks go to the Gun Club again for the facilities and to all the archers who braved the elements. We hope to see you all on June 29<sup>th</sup>.

PS. Someone lost a Gold medal in the car park. If they contact me I will endeavour to arrange delivery.
