

# 18th May Lawton Field Bowmen

Many thanks to the 140 Archers who attended our annual shoot. Special thanks to the members, old and new, and non members who helped with the course planning, course laying, catering and many other tasks.

The weather was kind to us all day, a little overcast at times but it stayed warm and dry thank goodness. Bigfoot was out in all his glory and yet again managed to outwit many Archers although I have been led to believe that a certain Longbow Archer having only taken up Archery 3 months ago shot 2 arrows and scored 2 kills.
