

**First Annual Charity Shoot**

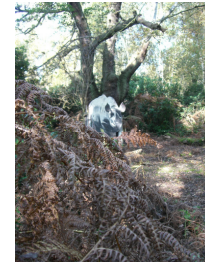

80 archers travelled through the fog to attend our first Annual Charity Shoot in aid of the Edward Bright Fund. We had a sometimes challenging course laid by Roger and Wally, helped by club members and even seconded family members where extra muscle were needed.

Catering, as always, was excellent with archers generously throwing their change, and more into the charity collection pot conveniently positioned in the middle of the catering window!

We were privileged to have Chris Boyton and Andrew Hall sharing their individual skills and knowledge throughout the day with demonstrations of bow making and fletching and At one target, with the shot over a recently dried up pond, 3 archers took a short cut and nearly disappeared in the swamp. Their good natured reaction, and relief on getting back to the tea tent in one piece, was an example of the mood of the day and prize giving took place with lots of smiling faces and a pleasant sunny afternoon.

With the land owner generously allowing the shoot to take place without the usual charge an amazing £600 was raised for Edward. Well done everyone and we hope to see you all again at our Christmas Friendly on Saturday December 13<sup>th</sup>.
