

Ravens Shoot 2008.

140 archers arrived at Ravens new range at Langrish, Nr Petersfield in Hampshire to shoot our 36 target Big game.

Our "Big hole in the ground" was made extremely slippery by the heavy early morning rain, but gratefully the sun broke through before the start. We had planned for this by cutting paths and steps to aid the shooters, the instructions were simple, take extreme care and stick to the course directions. Everything went well, no emergencies and with visits to the two tea tents and water stops all the entry managed to negotiate the steep and tricky course. Thanks to Jim who works tirelessly to help with the entry lists and results and has spent the last few months with me to set up the course, to Betty, Kris, Jackie and Julie who kept the tea tents running smoothly, and to the members of Ravens who assisted with the event. Finally thank you the archers for attending. Watch this space, it could all change again next year!
Report from Steve Palmer.

THE RAVEN MIXED GAME SHOOT JUNE 2008
