

6th Dec - Spirit of Sherwood Wooden Arrow Shoot.

Saturday was sunny all day, great for course setting, rain was forecast for over night and early Sunday morning. RAIN!! It wasn't rain it was a monsoon.

When I was fixing the direction signs up on the roundabout I'm sure an old guy in an Ark went past and washed me of my feet!

Anyway it did stop raining by around 9.30 and that allowed

152 archers to shoot our 36 mixed targets, with a new moving target (no more flying pig) it's a Hawk, plus a Christmas pudding and bonus cracker target, to go with the partridge in the pear tree and golden pear shot, made for a good seasonal shoot. So thanks to you all for travelling in those conditions and a big thanks to all our S.O.S team for their work, including admin and our excellent caterers.

Hope to see you all next year.

Ken and the gang.
