Shoot Date	29 & 30 th August 2009	
Report produced by	Ian Horrocks	
<p>65 archers attended the first Pendle Witch Country Challenge, a two day shoot hosted on the Saturday by Sabden Archers and on the Sunday by Storm Archers. The weather fortunatley was relatively good for a bank holiday weekend with some of the archers camping at Middle Beardshaw Head farm and others staying in the camping barn at the same farm, the barn dating from approx the 14th century Both shoots being on very different grounds and set by the two clubs to a very high standard ... Sat being traditional paper faces and sunday being hessian faces ... Thanks must go to the course layers on both days with a special mention to Matt Chamberlain for a well laid Sunday Shoot ... Also thanks to the Catering ladies and men ... Mary, Margaret, Sophie , Linda, Craig and Mike .. if you havn't tasted the food ... you dont know what your missing ... we hope to see more archers next year thanks to all who attended</p>
