

SPIRIT of SHERWOOD 7.12.08

Well the weather god's certainly looked after Spirit of Sherwood ! yet another beautiful day for a shoot, cold but sunny all day.

Thanks to all of you that came, we were fully booked with archers from far and wide.

The setting of the targets at sensible distances and back stops to all the 3ds, plus a moving target and a fun target

also helped to make a good shoot for you.

Thanks to Big Richard for setting up and manning the fun target all day and to all the marshals and admin for making the day go so well.

We must apologise for the poor catering, (Hinge and Bracket !) will not be doing it again, we will do our own in future.

Thanks also to Harry Boyce for sorting the missing Nationals medals and giving them to the Wyer Hall ladies,

and also for giving young Tyler Davis the gift on behalf of the NFAS to make up for the results mistake at the Champs, well done NFAS.

Hope to see you all in August.

Regards Ken.
