

**Shoot report for Stonebow Field Archers
Autumn shoot held on Sunday 4th October 2009**

We were blessed with a perfect Autumn day with bright sunshine and light winds for our shoot. We would like to thank all the archers who supported our shoot as well as club members who helped prepare the course and who helped on the day. The new tree tower proved to be very popular with all the archers, and they also enjoyed shooting at the 3 cats and the rat!

We have some photos of the shoot which can be viewed on our website at www.stonebowfieldarchers.co.uk. We look forward to seeing everyone again at our shoot in the Spring as well as our planned clout shoot later in the Autumn.
