

Toad Hollow Archers Bank Holiday Shoot 29th & 30th August

Another great toady weekend! A big thank you to all the 120 archers who came and supported our August Bank Holiday shoot. From the huge smiles and comments that were made throughout the weekend we know you enjoyed yourselves.

Thanks to all the club members who helped out not only over the weekend but in the weeks leading up to it. Admin, course laying, refreshments, marshalling, cake making, fishing arrows out of the lake, it all takes a lot of time and commitment and we are very proud of the toads and the work they do.

Also thank you to all the archers for parting with your cash for our whisky raffle, we hope it went down well! For anyone interested you can see photos of both days at <http://www.harrisonimages.co.uk/toads09/> courtesy of Paul Harrison.

We look forward to seeing you all at our next shoot; keep looking at the NFAS shoot dates as you can never quite be sure what Ian will think of next!
