

Westcombe – 20th April 2008

Thanks to all that participated in our shoot on the 20th April 2008. The course was Challenging with several cry's of (oh no ! it was "40 yrds" not the "35" that I shot) and ("who put that tree in the way leaving only a small gap") the day was dry and once the mist went the long shots were visible. From the resulting scores you can tell that the course was challenging but fair with not too many blanks through the day hope to see you all in our pre nationals shoot in September.
