

Hollywood Open Shoot 1 x 20 – 10th March 2019 – Shoot Report

Originally planned as a 2 x 20 course we had to settle for 1 x 20 instead due to weather conditions so the results below are for once round only. Thanks to all those who came and braved the cold, we hope you found the shots enjoyable. Thanks to the many people who helped in one way or another to bring in the targets and packing away, there are so many helpful people in the NFAS! We look forward to seeing you at our April shoot on the 28th. See you soon, Joe, Glenn, Sarah & Pam.

Gents AFB
