### Amendments Effective from 1<sup>st</sup> APRIL 2023

A crossbow (but not a compound crossbow) with a wood stock must be used. No sight of any description can be used. Only wooden bolts, sizes 5/16", 11/32" or 23/64", can be used. The bolt length (excluding pile and nock) must be between 14" and 16". Natural material or feather fletches only.

A foot stirrup or T-bar must be used. A cocking rope can only be used. The crossbow must be fitted with a bolt retaining clip. A trigger guard must be in place and a safety mechanism must be used when the bow is cocked. Prods must be made of either steel, fibreglass or wood. Draw-weight must not exceed 200lbs. Stroke length must not exceed 9.5".

A crossbow archer may only cock their bow at the shooting peg. Once loaded the crossbow shall only be pointed in the direction of the target. The archer must not use a rest of any description which provides an additional point of support for the bow whilst shooting. This does not include the archer's own body.

It is an offence for a person under 18 years of age to have in their possession:

- a) A crossbow which is capable of discharging a missile, or
- b) Parts of a crossbow which together (and without any other parts) can be assembled to form a crossbow capable of discharging a missile UNLESS the person is under the supervision of someone who is 21 years of age or older.
