March 2026

# Ordering Process

## Step 1

Please print out the following pages and clearly mark which faces you require. Also mark which media you would like to order them in. This can also be done using adobe acrobat for those that have know how.

## Step 2

Fill in all your contact details so an invoice can be raised for payment.

## Step 3

Post your order form to NFAS Faces, c/o City Signs, Unit 4 Ball Mill Top Business Park, Hallow, Worceser. WR2 6LS. Electronic copies can be emailed to: [info@citysigns.co.uk](mailto:info@citysigns.co.uk)

## Step 4

Once your invoice is received (normally via email) and payment has been made, your faces will be sent to print. Normal leadtimes are around 5 - 7 working days.

## Step 5

Your faces are despatched to your delivery address with delivery updates from DPD couriers. Happy Shooting!

# Printed Materials

## Paper

A standard weight blue back paper offering excellent print quality. Printed to a sheen finish, these faces would need to be pasted to card.

## Self Adhesive Paper

A slightly heavier weight blue back paper, again offering excellent print quality. Printed to a sheen finish, these faces are self adhesive and can be mounted to pre cut card therefore removing the need to paste them.

## Mesh

The deluxe material. Printed mesh offers a high quality print finish although finer detail is lost due to the make up of the material. However, on field testing, these faces have lasted up to 2 years so are far more durable than paper faces. In some cases, these do not need backing with card and target pins can be used to attach them direct to the boss.
