Camping: £6 per pitch (tent/caravan/motorhome) per night.

Admin will try to accommodate requests for shooting with a partner, but these requests should **only** be sent in for medical or disability reasons or parent/shoot guardian & child. Where different styles mean that partners would normally shoot different courses and both partners still wish to shoot together, you should indicate which partner intends to shoot non-competitively (i.e. on a different course from other archers in his/her bow class). A request to shoot with another archer/helper on medical grounds requires suitable medical evidence to be provided a minimum 2 weeks prior to the event. **Any archer who submits a list of demands about who they will/will not shoot with (children, named individuals etc) may find that their application is not accepted.**
