Fees

Entry fees: Adults £30, U16s £5; half price if only shooting one day

Patches: £4 each

Camping: free – but you still need to book in!

Admin will try to accommodate requests for shooting with a partner, but these requests should only be sent in for medical or disability reasons or parent/shoot guardian and child. Where different styles mean that partners would normally shoot different courses and both partners still wish to shoot together, you should indicate which partner intends to shoot non-competitively (i.e., on a different course from other archers in their bow class). A request to shoot with another archer/helper on medical grounds requires suitable medical evidence to be provided a minimum 2 weeks prior to the event. Any archer who submits a list of demands about who they will/will not shoot with (children, named individuals etc) may find that their application is not accepted.
