## Cloth of Gold Open Shoot 21<sup>st</sup> April 2024

Our first shoot of the year began with bright sunshine that lasted all day but also a cold breeze especially noticeable around our 'windy corner' which takes up most of the north-western side of the course. We managed to attract 103 archers to the shoot, building on the success of past competitions and the reputation of our ground (challenging) and our course layers (more challenging).

Once again, the day started with full catering on hand, always ready to fortify everyone before getting down to the challenge of getting round the course successfully, and hopefully returning with a good score and all the arrows they started with!

There was the usual challenge of a long walk ahead of the participants with what always seems like much more uphill than there is downhill. Fortunately after the rain of the last few weeks and a downpour just before completing the course setting, the course itself was in good condition, being mainly dry and firm underfoot. As in past shoots and although our woods are quite small the course managed to cover a lot of ground.

This was an Open Shoot and started at 10am after the usual booking-in process and safety briefing.

We set a course of 2x20, 3D targets, double pegged to make best use of the ground available and routed so everyone could enjoy a welcome break and refreshment as they passed the catering area.

At the end of the day we were able to close the shoot at around 5pm, and following a raffle we had medal awards for the winners and runners-up in all the classes taking part.

This year we had a good representation of all bow classes with the exception of Compound limited (no participants), and the most popular classes were Traditional Bowhunter and Barebow.

Positive comments on the shoot: "A real challenge", "some really tricky shots there", "too devious by far", "great work by the course setters", "worth coming just for the catering", "a fantastic day out, looking forward to the next one", "brilliant day, brilliant course and brilliant company".

Thanks to all who helped with course setting, marshalling and running the catering, and to everyone who came and shot round on the day.

We'll hope to have you back again for a 'Bodnik Style' shoot later in the year on 30th June or our second Open Shoot on 1<sup>nd</sup> October.
