

Shoot Report DVFAC – 26th July 2026

Dearne Valley Field Archers would like to thank everyone who attended their open shoot, we had some wonderful feedback and it is great to hear from all the archers who enjoyed the course.

Fun was had by all with a few new long shots (think wasp pegs!) alongside the more traditional dearne fun shots (who doesn't like shooting from windows) and special unusual targets (was that a 6 foot Squirrel??)

Huge thanks to our members both on the day and in the months before. It takes an incredible amount of work to put on a shoot and it was great to have so many of our members involved at all stages of the process.
