

Magna Carta Field Archers

Open shoot report

Sunday 17th March 2024

This was the clubs first open competition in nearly 5 years, glad to say that the club members pulled together to make it happen. As a Saint Patrick day shoot we have a number of novelty targets which where both fun and challenging.

It was a pleasure to see archers competing at Magna Carta again and well worth the efforts of all of the Magna Carta members that made it happen.

We had a major closure on the M25 and rain on the morning which halved the number of archers at registration. However archers that did glad to say there were plenty of smiles during the day, the day slowly brightened up and and the sun was in full swing for the presentations.

Huge thank you to all the archers that attended and to our course setters who worked tirelessly make it happen.
