

The SWAC Autumn Open

Sunday 7th September 2025

128 Archers attended.

The day started with a downpour for a short while, then was a fine, dry day. The woodland looked beautiful with signs of fungi coming up.

Great feedback was received throughout the day for the 3D course.

Many thanks to Brett and his Team for a challenging course. Also thanks to all the Marshals, Clare and her Catering Team. Plus, Shauna for doing a great job supporting me with the Admin.

Field Shoot Organiser
