

Whitefriars Bowmen - Shoot Report April 2024

As Always Thank you to all archers for attending our shoot.

The sun came out the ground dried up; a few lost arrows left for safe keeping (they do return eventually).

This time we put on a moving target for archers to try, our old goat kept running down the hill but not quite fast enough for archers to miss well done to those that hit the moving target.

As Always, a big thank you to the club team, In the hut on the carpark or marshalling.

Our next 3D shoot is June 2024 if you would like to take part then please contact
