

Wolfshead Shoot, Sunday 1st September 2024

For a day when much of the country was basking in sunshine it was disappointing to have had a rather dull day for our last open shoot of 2024. There was even a brief shower around the middle of the day but thankfully little sign of the notorious Wolfshead wind. Fortunately the weather didn't seem to spoil the enjoyment of the 50 archers who had travelled to North Yorkshire to compete. We hope that you all had a good time and look forward to welcoming you again to future open shoots, or as visitors.

Thanks as always to our small hard working group of club members who made the day possible by putting in the effort to prepare the course and targets in the weeks leading up to the shoot, and acting as marshals or working tirelessly in the kitchen on the day of the shoot.

Our next open shoot is on Sunday 23rd February 2025. We hope that you can join us to enjoy a bacon bun and some magnificent scenery while testing your skills around our course of 40 3D targets set out over a mixture of moorland and woodland.
