

Wolfshead Shoot 9th June 2024

Thank you to the 58 archers who made the journey to our corner of North Yorkshire to compete in our second open shoot of the year, comprising 40 targets set out over a mixed moorland and woodland course.

Once again the weather in the period before the shoot didn't make preparation of the course any easier. Fortunately things improved somewhat on the day of the shoot and, except for a couple of showers, it remained reasonably dry and not too windy. The rather unseasonal cool weather in the morning did increase sales of bacon rolls in the morning at the expense of the cold drinks usually popular at this time of year.

Unfortunately a modest increase in temperature later in the day, and increasing humidity due to the showers, had the unwelcome effect of encouraging the local midge population to turn out in unprecedented numbers. Although this did reduce attendance for the results at the end of the shoot somewhat many remained for the raffle and the chance of winning a very nice recurve bow, generously donated by Blackridge Archery.

Thanks as always to our small hard working group of club members who made the day possible by putting in the effort to prepare the course and targets in the weeks leading up to the shoot, and acting as marshals or working tirelessly in the kitchen on the day of the shoot.

We hope that everyone who came enjoyed the competition. Please come and join us for our next open shoot on 1st September.

Phyllis Walker 1938 - 2024

This was our first shoot following the loss of our former club member and friend Phyllis Walker, who died peacefully at home last month at the age of 86. Phyllis was well known in both field and target archery circles and was also a keen medieval re-enactor. As a coach and member of Whitby Company of Archers and later Wolfshead Field Archers she was responsible for introducing many people to the sport of archery and was a staunch supporter of both clubs, holding a post on the club committees for most of her time with them. Although Phyllis had to give up field shooting about twenty years ago, she continued for many years as treasurer and open shoot coordinator for Wolfshead, before retiring from archery altogether. She will be fondly remembered and missed by all those who knew her.
