

# Riggwelter Open - Shoot Report

52 Archers made the early start for Riggwelters return to the Open shoot circuit on November 23rd. The previous days weather made the course very muddy and slippery. Just getting around the course without landing on your bottom was a challenge in itself. The only person we are aware of coming a cropper, was one of our marshals and founder members, there could have been others, but they did a good job of keeping it a secret.

The rain we expected on the day never materialised and as the day wore on the clouds parted and some sunlight just about made it through, to make for a pleasant afternoons shooting.

The groups were led out to the pegs for 9.30. We had chosen the starting pegs so that everyone hit the tea tent approximately halfway round, to keep things moving and help us finish in time before the darkness descended.

Despite a small amount of congestion at certain places we felt the shoot went well and everyone finished in good time to have a natter and brew.

Even the raffle surpassed our expectations, lots of decent goodies to be had – I've never seen so many marshals buying tickets to get back the items they had donated.

A big thanks to all!

A special mention for Paul, Ron and Mike who have fettled away at the course for weeks getting it up to competition standard – a fantastic job!

To Rach for sorting out the catering and to Vicky and Janine for slaving away in the tea tent all day.

Thanks to Gill for assisting with the registration and scoring with me.

A shout out to all the marshals who helped on the day - well done everyone!

All at Riggwelter hope our fellow archers enjoyed shooting at the club, the Roe Deer and Red Kites were an added bonus (no extra charge).
