

Whitefriars Bowmen - Shoot Report 8th February 2015

Thanks to all archers who came to our shoot, some with journeys of over 3 hours but all were rewarded by a bright dry sunny day which was great for this time of year. Our forest grounds have small rolling hills which make for some interesting shots. For the first time we incorporated an optional 'Challenge' shot which was set at a greater distance than is usual. Archers electing to accept the challenge got an arrow score multiplier when the arrow struck its target. Archers not wishing to take the challenge could move forward and shoot this target from their normal pegs. Needless to say all adults had a go and enjoyed the experience.

Many thanks especially to Lisa and Ann for cooking and providing good food to our guests, also thanks to the other members who helped with catering these being Jim, Ian and Sandy. Ian and Sandy doubling up as marshals mainly around our challenge shot. Thanks also to Kay in doing all the shopping for the food and drinks, cooking cakes, buttering rolls preparing onions etc, her efforts although unseen by many make the whole event run smoother.

Our next 3D shoot is on the 12th April 2015 so if you would like to take part then please contact Bob Bruce at whitefriars.bowmen@gmail.com.
