

## Broadland Bowmen - 15th February shoot report

On the morning of the shoot yours truly dragged her ill self out of bed knowing that if I didn't show up neither would the score cards.

Alfie as usual had made it to the course before anyone else...I'm sure he just sleeps there to guard the targets after the theft of our baboon on our last shoot.

The weather on the day was lovely early on getting a bit colder as the day went on prompting Andrew to light the fire bin for our visitors to huddle round.

We had an amazing turnout of 65 archers from far and wide. Most were our faithful returning regulars who we look forward to seeing. Some new faces too....welcome to them. It was lovely to have juniors and cubs too now the weather is improving.

Alfie had set a brilliant 2x18 course for our shoot and many of the archers on visiting the tea hut commented on how much they were enjoying the challenge.

We had a short stop while we had a boundary chat with the adjoining paintball place. Bit disconcerting to have them come over the boundary but all was resolved amicably and the shoot continued safely.

Thanks to all the archers who teased me for being at deaths door but still had patience while I compiled the scores. You all make me laugh and it's truly a pleasure doing the admin and chatting with you all. I am unfortunately still ill though!

Huge thanks to Alfie for his course setting skills which keep Broadland as a popular venue.

Thanks also to Nick Poole, Allan Jones and Steve Goodyear for putting the targets out on saturday.

I'm sure everyone thanks Andrew Wicks and Ian England for provision of

delicious food as always and an endless supply of hot drinks. The burgers were so popular (Andrew gets them from his local butcher) that we ran out of burger buns. Keep up the demand guys and we'll keep up the supply.

It was great to see you all and we look forward to welcoming you back for the Master Archer on the 26th April. Please note it is not in May as usual as we clashed with Fleet Ibex last year.

Happy shooting till we see you again.

Didi
