

## Pines Park Archers 10<sup>th</sup> May

A massive thank you to all club members who slaved over the course, admin, organised the raffle and put in the effort of marshalling and arrow-finding. It was well worth the effort with 166 archers showing exactly how much they enjoyed our 40 x 3D course with all the positive comments by email, facebook, the NFAS and in person. Thanks to everyone for turning up for what turned out to be a brilliant day – good weather, great course, good shooting, good company. We look forward to seeing you all again in September! (As always, the full results will be on our website: [www.pinesparkarchers.org.uk](http://www.pinesparkarchers.org.uk)).
