

Wild Geese

NORTH YORKSHIRE CHALLENGE 17th MAY SHOOT REPORT

The 2015 North Yorkshire Challenge by Wild Geese provided a fantastic christening to the new grounds. The full 3d course is set in a steep-sided, wooded valley on the edge of the North Yorkshire Moors National Park. It provided complete shelter from the blustery, yet sunny conditions that greeted Archers as they first arrived from far and wide. The woods were at their best, with the Bluebells and Wild Garlic in full bloom, and the canopy was starting to awaken.

We are extremely grateful to all those who made the journey here – from Scotland down to the Midlands. They made the day truly memorable. The atmosphere was fun, friendly and competitive.
