

MAGNA CARTA FIELD ARCHERS  
Autumn (One Arrow) Open Shoot  
Sunday November 15<sup>th</sup> 2015

Wow! Following a day of water-running-down-the-neck weather the shoot day turned out to be fine, dry and at times sunny, but that's what you tend to get when you shoot at Magna Carta.

This was one of our best attended shoots for some time so a sincere vote of thanks to all those who believed the weather forecast and turned up to shoot at a range of 3D's from the diminutive 'Mrs Tiggy Winkle' (about the size of a can of beans) to Ollie Ostrich (back on his legs for the first time in living memory).

39 sneakily placed animals and one arrow at each meant that the day progressed smoothly and we were all done and dusted by about 2:30 which meant that people were able to get away in daylight.

Votes of thanks go to the course setters (the ones who braved the weather), the refreshment team of Claire, Anne and Paul for keeping everyone fed and watered from 08:00 onwards and our land owner for allowing us to hold these events.

We look forward to seeing you all again at our 2016 series of shoots.
