

## **Pines Park Archers – Sunday 22<sup>nd</sup> May 2016 – by Dawn Cullen & Sandra Reilly**

Well after torrential downpours the day before we were worried that our shoot was going to be a wash out but that was not the case, in fact it turned into a lovely summers day with everyone walking around in t-shirts, it was even warm enough for ice cream well done Merrily and your fabulous oh sweetie darling bike.

Everyone had been working so hard over the last few weeks in the run up to our shoot getting the 4<sup>th</sup> and final loop in, well done course layers and work parties.

We had 100 archers booked in on the day for our 40 target 3D course and who gave us lots of lovely compliments and feedback about how very challenging our 4<sup>th</sup> loop was.

A massive thank you to all club members who turned up on the day to work in Admin, Marshal the course and course layers, also a big thank you to all archers who attended see you all next time.
