

The 100 Yard Field Archery Club

Scores from Open Shoot 5th June 2016

By Rich Pearson, Club Secretary

This was the first shoot run in over a year by the club and for their course layers this was the first course they had set, so we were please when we attracted a good number of archers (55 in total). The weather was ideal for being out in the woods, but the bright sunlight created dappled shade making it a challange to judge distance. We got lots of feedback on the course laying, most of it complementry!

Thanks to everyone in the club who pitched in to help, especially Gary and Nix who were kept busy all day providing food and drink for eveyone. Finally thank you all for attending, we are not the largest club and don't have the largest wood but we hope the course entertained you.

We hope to run another shoot later on this year, keep an eye on the NFAS site for more details. Here are the scores:

Gents AFB	Club	Score	Spot Notes
Richard Wright	Butsfield Bowmen	514	4
