

REGENT ARCHERS SHOOT

24th JULY 2016

This was our second shoot under the new committee and fortunately it was blessed with good weather, sunny and warm and very pleasant to shoot in, but alas it had to spoil itself in the late afternoon just as the raffle and prize giving was taking place but thankfully it did not last long enough to spoil the day.

53 Archers enjoyed the day with 36 targets made up of mostly 3Ds and some hessian, from the feedback we received everyone enjoyed the course and the catering, thanks to Pat, Bob and Paul for their hard work in keeping us fed and watered.

Many thanks go to David and Colin for setting out the course and to all the other club members who helped on the day and in the days leading up to the shoot.
