

Shoot Report

Centaura Field Bowmen - Peter Bates Memorial Shoot 4th September 2016

The annual Peter Bates Memorial Open September Shoot took place at the Aston-on-Trent course and consisted of 36 mixed targets. There was a number of changes to the course from the shoot earlier in the year. This included a new platform shot at peg 17 and the “bear in a tree” at peg 18.

Following the wet weather on the Saturday, we were expecting more of the same on the Sunday but the weather turned out to be just right for a great day of archery. 130 were booked in to the shoot but we still had 14 no shows which is disappointing.

A big thank you to all the Centaura team for putting in such a sterling effort for getting the course in order and to the catering team for putting on some fantastic food. Admin also did a great job in turning the round the results in short time which meant that everyone got away at a reasonable time .

A couple of special mentions. Wayne and planned a ‘special’ lunch time treat for Harry and Terri Boyce, to get them back for all the pranks that they had pulled over the years .

There is also a special mention to our guest announcer Olivia Giles who not only made sure that raffle was drawn correctly but also ensured that Wayne gave out the prizes in the right order and to the right people.

All the members of Centaura would like to send a big thank you to all that attended and made it a great day .
