

Hanson Bowmen 12th March 2017

180 Archers booked in and shot our 40 Target course which was a mixture of 3D's, Paper faces and Hessian targets.

We even managed to book some lovely weather.

All this was made possible by our coarse layers, marshalls and admin. Special thanks goes to the Catering Ladies for keeping us all going with plenty of hot food, cakes and drinks.

Thank you to every Archer who came and we hope to see you all at our next shoot.
