

Tavistock Company of Archers

Easter Shoot, 16th April 2017

After a dry week Sunday morning dawned bright and frosty showing Mount Kelly Prep School off at its best as a wonderful backdrop for our Easter Shoot. The sun remained for most of the day and temperatures rose to a pleasant spring warmth. We could not have asked for better! 93 archers set forth to try and beat the course layers on what was a challenging course of 36 3Ds. Most were caught out by the small duiker at number 1 - it was closer than you thought! Rob, Jo, Jonny, Annita and Josh kept a steady supply of food and hot and cold drinks on hand to sustain everyone through the day. And, at the end of the day the happy faces told of a great day's shooting. Thank you to everyone who came to shoot, to all the club members who worked so hard and to the landowners for allowing it all to happen.
