

Black Arrow - 1 July 2018 - report and results

A lovely day, brilliant weather, thanks to the 88 archer who supported us, unfortunately 17 archers didn't manage to take part, most did let us know thank you.

Our new course was well received, our catering ladies did a fantastic job, everyone was relaxed, lots of laughter to be heard all round the wood.

We are taking bookings for our next one on 23rd September 2018, it may not be wooden arrow only ... look out for updates.
