

Regent Archers Open Shoot Sunday 6th January 2019

It might have been January but it felt like Spring had arrived as we welcomed a record breaking 109 archers to our open shoot and blessed them with near perfect shooting conditions.

Thanks to all the help by Club Members in preparing the shoot in the days beforehand meant we started on time and despite the high numbers of archers we finished with plenty of time to spare before darkness fell.

Throughout the day the catering team was kept busy serving drinks, hot sandwiches and cakes. Fellow club members ensured the whole day ran smoothly from start to finish.

Thank you to everyone who attended and for all the positive feedback, that was appreciated by the club. We hope to see you all again at the next open shoot on 21st July 2019. We hope the weather will be just as kind to us again!

Steve Dixon – Regent Archers
