

## Tavistock Company of Archers

### Easter Shoot Report

What brilliant weather for the Easter weekend! It was great for setting up and even better for Easter Sunday when 70 archers came to pit their skills against our course layers. The course was 2 x 18 with different shooting pegs for the second time around and one predator and prey shot. It was undoubtedly challenging but the feedback we received was very positive and there were lots of smiling faces at the end of the day. Tavistock Company of Archers would like to thank everyone who came and we hope to see you all again next time.
