

## **Hollywood Open Shoot 2 x 20 – 28<sup>th</sup> April 2019 – Shoot Report**

We enjoyed welcoming back archers to our April 28<sup>th</sup> open which featured mostly a mixture of 3D and 2D hessian targets around a 2 x 20 course. Thankfully the sun was shining and was a lovely day in the wood! The raffle sparked interest particularly amongst those with an appreciation for turned woodwork ☺ well done to all, we hope you had an enjoyable day. Thanks to Pat for helping with the admin at the end. See you soon, we are working on more of our homemade targets for the next one! Joe, Glenn, Sarah & Pam.
