

Seedfield Archers - 21st July 2019

After an absolute drenching on the Saturday whilst putting the course out Sunday remained over cast but NO RAIN! The course was a mix of 3D's, 2D's and one paper face (the rodents had taken a liking to our 3D Fox). A huge thanks to Ann from the Scout Group and her helpers for keeping everybody fed and watered, but the biggest thanks goes to you, the archers who all attended and, enjoyed a good days shooting according to the feedback we have received via Social Media. Hope to see you all again soon, if not at least at our next planned shoot in October – best regards Geoff.
