Cloth of Gold Open Shoot 6th October 2019

After a stormy start to the day and seasonal illnesses that deterred several competitors, 38 brave archers turned up to the last shoot of the year put on by us at Cloth of Gold.

This was 2/3 of the people who booked a place and played havoc with the catering plans with a lot of wasted food having to be thrown away.

Fortunately for those who did make it to the shoot, the weather cleared and with the sun shining, the wood was back to its glowing best and the competition (18x2 targets) got under way.

At the end, after a day of great shooting, the raffle was drawn and medals were presented. Everyone got away with a little daylight to spare. Many thanks for all the positive comments about the course and the catering. Several visitors said the course was once again a real challenge, with good use of the ground and a lot of hard work put into the target laying and that all the effort put in, made for a great day out.

It's nice to know the club lives up to its reputation! Thanks to the course setters, caterers and all who helped on the day and of course everyone who came and shot. We hope to see you again in April next year!
