

## KLFA Open Shoot – 20<sup>th</sup> October 2019

Our shoot shifted this year from September to October and as the date approached we all wondered what the weather would do and if we had done the right thing! However, we were lucky and the rain held off until the raffle and medal presentations, it was a mixed day of mild and chilly temperatures.

We also wondered if everyone would arrive on time (and not just archers) due to roadworks on one of the routes in, luckily we only had one late arrival.

So, 90 archers found their way to our Norfolk hideaway and soon disappeared into our grounds, making their way around our course and back to catering for the usual hog roast, burgers, coffee and cake.

Thank you to all that attended and congratulations to all the winners. Keep your eye on Facebook as the photos will be coming soon.
