

Cumbria Challenge – 19/20 June 2021

After the frustration of missing a full year, we were finally able to reinstate the Cumbria Challenge, albeit with changes. Firstly both days were run at Kendal, with a 32 target paper face course on the Saturday followed by a 32 target 3D course on the Sunday. The registration area was moved to be near car parking, start times broadly split into 9.30 and 10.30, then split again by groups being set off soon after arrival. Since our parking field is visible from the road this meant that if we had a query as to whether we were having too large a gathering we could show compliance to all current regulations. An advantage of this system was that everyone finished near the car park and so was straight off the course, but the downside is limited socialising, plus whilst we had full catering it was only available about half way around the course. Plan A for our open shoot on July 25th is to have a normal start from the catering area but we will need to check guidelines nearer the time. I have posted awards and results to those who requested them, and will send any others by request.

BOWSTYLE	NAME	CLUB	DAY 1	DAY 2	TOTAL
LADIES AFB	Laura Hindle	Hedley wood	360	430	790
	Trish Gramouskas	Redoubtables	304	434	738
