

Briar Rose Field Archers – shoot report 15th August 2021

Firstly, everyone at Briar Rose Field Archers club wants to take this opportunity to thank all those who attended our first shoot at our new wood and in so doing making it a really enjoyable day. Even the rain held off until after everyone had stopped shooting.

4 months of hard work by our small club culminated in a 36-target course of 3D, 2D and paper faces.

We had been a little worried in the week running up to the shoot as we received quite a few cancellations due to a variety of reasons, despite that, we were able to

welcome 84 archers on the day. Amazingly we had no no-shows on the day. We were a little humbled by the distances that some archers travelled and once again want to express our thanks for your support.

We opted for a traditional start and not a rolling start which has become common in recent months but took steps for COVID precautions, including temperature checks on arrival, a max of 4 archers per group, limiting musters and having contactless payments etc.

Due to the nature of the woodland, we rent and restrictions on how much clearing we can do, trying to make two loops of near equal targets per side proved to be a challenge and resulted in a bit of walking. The good news being it's all pretty

flat and please believe us it's not that large a wood, though it may have seemed it at times as you walked between some shots. But after being away from shooting in woodland we thought you might like a walk in the woods with a bit of archery thrown in 😊.

One of our long-term goals is to try and make a course as accessible as possible for all archers.

We really appreciated all the feedback, positive and

negative that we received on the day and afterwards as it's helped us adapt on the day and develop for the future. Yes, there were some old traditional target faces out, like the JVD ermines which are not so common now but hopefully not set too far. The grey squirrel wasn't that long a shot, honest...

We didn't get everything right though, and apologies to Mark Tarbuck who actually came 3rd in Gents Longbow.

We are a small club and can't provide in house catering. That said we, do have some excellent cake bakers who were delighted attendees enjoyed the cakes.

Once again, thanks to everyone who attended.
