

Archers of Dolphinholme
26th September 21

A warm September Sunday with almost perfect weather saw us almost get back to a normal-ish shoot- we retained the staggered start but catering was back at least for lunch. We have limited numbers anyway Thank you to all who helped out putting it on- Marshals Catering Admin and laying the almost completely new course- many hands make light work and as a small club its very much appreciated.

Name	Club	Score	Spots
