

Albion Wooden Arrow Shoot Report

March 20th 2022

Albion would like to thank the 53 archers (50 adults, 1 Junior and 2 cubs) who came to our wooden arrow shoot on March 20th. It was a lovely sunny day, although it was a little chilly, which is not really surprising for March.

As the archers booked in, they were issued with a voucher for "Free Cake". Jo Warriner had been busy baking chocolate, carrot, lemon, walnut and unicorn cakes. Everyone loves cake and it's even better when its FREE!

The course was advertised as a 2x20 but in reality, it was 40 different targets as everything was changed during the lunch break. Due to the small size of our wood, we can only safely lay 20 targets for the visiting archers and these were a mixture of 3D's and faces. Despite this, we had some great feedback for our course layers, mainly Sue, Roger, Carole and Garry with assistance from a few other club members. Particular praise was given to the "leaping salmon" in the river which became a predator/prey shot on the second loop.

The raffle was also a little different. Archers were asked to put their raffle tickets in a tub which related to the prize that they wanted to win. This was a huge success with many of the archers saying what a great idea it was.

Thanks again for the great feedback on the day for the course layers, catering, marshals and admin. Putting on a shoot is a lot of hard work but the feedback we received makes it all worthwhile.
