## Cloth of Gold Open Shoot 8<sup>th</sup> May 2022

Our first shoot of the year began with a return to the 'traditional' format of a safety briefing followed by a walk out to starting pegs and a mass start at 10am for the 76 archers taking part.

The day started overcast but the sun soon came out and the woods and shots looked great for the whole day.

There was lots of walking ahead of the participants, and no mercy from our hills and hollows as the day warmed up. Despite our woods being quite small the shoot covered a lot of ground.

Everyone was grateful for the return of full catering and the rest area by the canteen tent was kept busy through the shoot, it was nice to have a return to the chatting and meeting up of old friends now that the Covid restrictions of the last two years have been reduced.

At the end of the day with the last archers returning to the rest area at about 4.45pm, and no raffle taking place we had medals awards for the winners and runners-up of all the classes taking part.

Surprisingly, this year for the first time we had no Bowhunter (BH) competitors but gained three entries in the new Thumb Draw (TD) category.

We had many positive comments on the shoot. Everyone felt that it was once again a challenging course, with good use of the ground, some real problems in estimating ranges and a fierce long shot but very enjoyable,

Thanks to all who helped with course setting, marshalling and running the catering and to everyone who came and shot round on the day.

We'll hope to have you back again for another open shoot later in the year on 17th July or 2<sup>nd</sup> October.
