

Archers of Dolphinholme Open

8 May 22

Many Thanks to all the archers who came to our shoot, as we have limited entry we really appreciate those that come. For the first time our open coincided with the bluebells being at their best and the wood was lovely to walk around. The sun made an intermittent appearance and there was little wind which made for perfect shooting conditions. For the first time we had double pegged the targets, effectively making our 2x20 into a 40 course. We had good comments about it so we will likely do it again. The biggest thanks goes to our members who volunteered to help with the shoot, Marshalling, catering, laying the course and everything else.

Name	Club	Score	Spots
<u>AMERICAN FLATBOW</u>			
Alan Carruthers	N lakes	726	8
