

## LAKELAND FIELD ARCHERS SHOOT - AUGUST 2023

Despite the poor weather forecast nearly a 100 people turned up for the Lakeland 2 day August bank holiday weekend open shoot. As luck would have it the right sacrifices had been made and we enjoyed a largely dry weekend.

The course was planned by Tom Cameron and was appreciated and cursed in equal parts by the archers. Tom made full use of the oak woodland and Lake District terrain. Everyone survived the mountain climbing and catering provided plenty of opportunity to recharge batteries. Burgers cooked on the oak fired barbecue were a particular highlight.

Feedback as usual was very positive with many people saying it's the best shoot anywhere. We look forward to welcoming you again next year!

Below are the scores and medal winners (names are surname first) My apologies for misspelt names and clubs - names given over the phone often get noted down incorrectly and the whole process becomes a bit like Chinese whispers. We even had a dog entered in AFB!
