

Wolfshead Field Archers Open Shoot, Sunday 3rd September 2023

We were lucky to have perfect archery weather for our last open shoot of the year. All who attended appeared to enjoy the late summer sunshine. Thank you to all those who came to enjoy our course of 40 3D targets, set out over a mixture of woodland and open moorland. We hope that you enjoyed yourselves and look forward to welcoming friends old and new to North Yorkshire for our 2024 open shoots, beginning on 25th February.

Thanks as always to our small hard working group of club members who made the day possible by putting in the effort to prepare the course and targets in the weeks leading up to the shoot, and acting as marshals or working tirelessly in the kitchen on the day of the shoot.
